## About DHLC Foundation

Funding scholarships for future pastors is the primary focus for grants from the Foundation. Our congregation is a member of the Evangelical Lutheran Church in America (ELCA). The ELCA currently has about 1,000 empty pulpits leaving those congregations without pastoral ministry. Educational debt has become a major obstacle in the recruitment of people with gifts for pastoral ministry. Annual cost of seminary education is currently \$45,000—\$50,000. Our purpose is to do what we can to be part of an effort to reduce or wipe out the need for future pastors to incur additional debt during seminary studies. Proceeds from our golf tournament will be used for this purpose. This golf tournament is our only fundraising event.

After granting the scholarship funds, the remaining available grants are used to support ministries within our own congregation and in organizations such as Lutheran Social Services and Lutheran Campus Ministry at UA. Local service organizations such as the Food Bank and Friends in Deed have also received support from the Foundation. These are just some of the ways our funds are put to use. More complete information is available in our congregation's annual report. We rely on gifts from individuals, estate gifts, and market growth to fund our mission. Thank you for being part of the DHLC Foundation Golf Tournament!
